From our President

A group of LRW members spent Thursday evening, September 15th in downtown Tacoma for the monthly free museum tour. During dinner we were joined by candidate Shelly Speir who is running for Superior Court judge. Afterwards we toured the Haub Family Collection of Western Art, the only major collection of Western Art in the Pacific Northwest. There is a fabulous Dale Chihuly collection of his glass art also on the main floor. I highly recommend the Tacoma Art Museum on your must see list.

LRW celebrates our 45th anniversary as a federated club on October 14th honoring our founders Wanda Doran, Mary Lou Ristine and Shirlee Johnson and our former LRW presidents. It is an evening of fun and friendship with George Hollis as our disc jockey. We encourage all members to join us for this celebration.

Election Day draws closer so contact your favorite candidate and see what you can do to help during this final month. "Rosie" the bus with NFRW president Carrie Almond stopped in Lakewood on her statewide trip across the US heading down the coast and then on to the southwest. The Federation at their March meeting voted to support the Republican nominee for President.

I was deeply insulted by Hillary Clinton when she described Trump supporters as a "basket of deplorables". We are proud Republican women from many races, backgrounds, religion and careers. I am not a racist, I taught 3rd grade in a 75% minority school in New Jersey, as a military wife I have a diverse group of friends. I spent 3 years in Saudi Arabia interacting with Muslims and probably have had more interaction with Muslims than Hillary.

As for those political members of our party that are now seen in Hillary's videos blasting our nominee, we now recognize who are the Republicans in Name Only. If you have Republican values and support Republican policies you cannot in good conscience vote for Hillary Clinton and the Obama legacy. In past

elections I have not always been enamored by our nominee but have always voted Republican.

I encourage you not to sit out this election, as not voting is a vote for the Democrats and their left wing policies to transform our country into a socialist country.

Constitution Presentations 2016

Lakewood Republican Women

By Judy Lawrence

Our literacy committee once again visited six elementary schools at JBLM and four others in the Clover Park School district. We visited 25- 5th grade classes for approximately 25 minutes where we introduced and discussed the foundational basis, history, content and purpose of the U.S. Constitution. Approximately 650 students received their own copies of our U.S. Constitution. Each booklet cost \$1.00 and came with a free teacher's guide per class. The LRW volunteers were: Shirley Burrows, Lois Halley, Clarene Johnson, Judy Lawrence, Mary Beth Lentz, Paula Loneragan, Karen O'Neill, Trish Otterholt, Beverly Raschke, Margie Swalley, Leslie Watts and Norma Wilbur.
